

Network Area Control Gateway NC-800R

Description: The NC-800R network manages alarm signals between calling devices, repeaters and the application controller in directed wireless network systems. The NC-800R network coordinator includes the serial and power cable with tinned leads for UL 2560 compliance.

Features:

Supports EchoStream end devices
RS-232 serial interface with head end application

Specifications:

- Dimensions: 6.5" x 3.5" x 1 " (16.5 cm x 8.9 cm x 2.5 cm)
- Weight: 5.7 oz (162 g)
- Power Requirements: 10 – 14 VDC at 200 mA
- Operating Environment:
 - Temperature: -4°F to 140°F (-20°C to 60°C)
 - Humidity: Up to 90% (non-condensing)
- EchoStream frequency: 902-928 MHz, frequency hopping spread spectrum
- Regulatory compliance: FCC, RoHS, c-Tick, UL2560
- The range and performance of any wireless product depends on the structure and environment in which it operates.
